

AFTER SCHOOL WORKSHOPS

at **THE AMERICAN VISIONARY ART MUSEUM!!**

WEDNESDAYS & THURSDAYS • 4 – 6PM (3 – 4PM HOMEWORK HOUR) • THIS FALL

Come hang out at your favorite museum, get up close and personal with some Visionary Art. Have a chance to dig through our treasure trove of “random fun” in creating projects inspired by Visionary Artists and our current exhibition. Meet other students interested in a different kind of art and the only requirement is FUN! Current workshops are offered on Wednesdays and Thursdays from 4–6pm (with 3–4pm as an optional homework hour). Cost is \$30/student for each 3-week workshop.

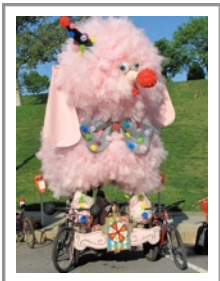

UPCOMING WORKSHOPS FOR THE SPRING:

EXQUISITE CORPSE EXTRAVAGANZA

Wednesdays // March 14, 21 & 28 : (3rd-6th Grade)

Experiment with some collaborative + imaginative printmaking techniques to make some truly fantastical creatures. We will push the boundaries of the definition of exquisite corpse when we make them life-size and share our stories, drawings and ideas to make some unexpected characters. We'll learn new artistic techniques while taking our imaginations to visit some new places.

MECHANICAL MARVELS

Wednesdays // April 11, 18 & 25 : (3rd-6th Grade)

As the Kinetic Sculpture Race draws near, we will begin thinking about all things kinetic, mechanical and moveable. We'll dream up our own Kinetic Sculpture Race vehicles, being sure to think about all of the challenges (land, sand, mud + water!). We will look more closely at Scott Weaver's sculpture Rolling Through the Bay and build our own intricate and kinetic sculptures. Lastly, we'll learn all about the infamous Cabaret Mechanical Theater and build our own whimsical creatures and characters. Come with us as we get moving and making!

WE ARE VISIONARIES

Wednesdays // May 16, 23 & 30 : (3rd-6th Grade)

The grand finale to year of visionary making, playing and fun! We'll use all our knowledge about our favorite visionary artists in creating a 3-d story, props, costumes and back drops. We'll rummage through our files to find out everything we can about these fascinating and imaginative artists so that we can tell their stories at our final reception on May 30th!

REGISTRATION:

If you would like to sign your student up for any of our upcoming After School Workshops, please contact Felice Cleveland (410-244-1900 x232 or felice@avam.org), with the following information:

Student's Name, Parent/Guardian's Name, E-mail Address, Home Address, Student's Age, Student's School and Which workshop and session you would like to sign up for.

Payment & waiver is required at time of registration to reserve a spot in the workshop. Contact felice@avam.org for more info/questions or to register. Waiver forms & FAQ can be downloaded from our website (link below).
