

# STATE OF OUR EARTH

## ECO CONFERENCE

### AMERICAN VISIONARY ART MUSEUM

SUNDAY JANUARY 22, 2012 • ALL DAY STARTING AT 10AM  
FREE! • IN AVAM'S JIM ROUSE VISIONARY CENTER, 3RD FLOOR

Featuring Keynote Speaker

**DR. SANDRA STEINGRABER**

Author of the acclaimed book *Living Downstream*.

### ECO CONFERENCE HIGHLIGHTS INCLUDE:

Top scientists & activists—including marine toxicologist **Dr. Susan Shaw** and epidemiologist **Dr. Shira Kramer**, voicing their concerns about the detrimental effects of pollution to Earth's air, land, and waters • Indigenous tribal elders and artists—Native American and West African—sharing their respective prophetic traditions • Tibetan monks from India's Gaden Jangles Monastery will be in residence building a sand mandala throughout the week, starting January 22 • Screenings of award-winning films by Suzanne Taylor & featuring Antrim Caskey • A scholarly tour of the "ALL THINGS ROUND" Maya-centric gallery with Dr. John Carlson • and More!

Supported by the vision and generosity of The Corfu Foundation, The Ceres Trust, and the Jim and Patty Rouse Charitable Foundation. Please RSVP to [abby@avam.org](mailto:abby@avam.org) to reserve a seat. For more information, visit [avam.org](http://avam.org).

**POW WOW = First People Speakers + Caring Scientists + YOU!**
